

## Road Directions to Ogilvy Lakes from Montreal

From Montreal, you need to take auto route 15 north, and follow this main road for about 100 kilometres. At Ste-Agathe-des-Monts, the 15 will automatically become road 117. You do not have to take any exits for the 117.

The turning for Ogilvy Lakes is just after the turning to Royal Laurentian Golf course, about 100km from Montreal. There is not an official junction signpost, but a signpost for Mountain Acres golf course, directing you to turn left from the 117. Take this road and follow the road as it curves to the left. After a few kilometres you will see Mountain Acres Golf Club on the left hand side overlooking both the golf course and lakes.

In a bit more detail and starting from **Dorval Airport** (now called Pierre Elliot **Trudeau**), follow all the signs that direct you to either **Mirabel Airport** and/or the blue signs to **Mont Tremblant**. As you take the only exit from Dorval airport you will see a blue sign for "Mont Tremblant"— follow it.

Follow the signs for auto route 520 also known as "Côte de Liesse". The 520 will take you to auto route 13 North. After about 5 km, you will exit off 520 to follow the Mirabel Airport and auto route 13 signs. Once you take this exit you are heading North on 13 and are now running parallel with 15, the "Laurentian Auto route".

From auto route 13, take the exit for auto route 640 east ("est") (after the exits for auto routes 40 and 440). You will stay on the 640 for a couple of kilometres until you see the exit for auto route 15 North. Again follow the Mirabel Airport or the Mont Tremblant signs.

Once on the auto route 15, you will be on autoroute 15 North for about 45 minutes. After 65 km the 15 will automatically become the 117 at Ste-Agathe-des-Monts. There is no exit, the 4 Lane road will gradually just become 2 lanes. It is the same road. Be careful not to turn off to the right and join the old 117.

Continue on the 117 North. The turning for Ogilvy Lakes is just after the turning to Royal Laurentian Golf course, about 100km from Montreal. There is not an official junction signpost, but a signpost for **Mountain Acres golf course**, directing you to turn left from the 117. Take this road and follow the road as it curves to the left. After a few kilometres you will see Mountain Acres Golf Club on the left hand side overlooking both the golf course and lakes.
